

A Little About Me ...

I'm Denise Greene, a real estate agent with Scenic Sotheby's International Realty. I have extensive knowledge of the Destin, Sandestin, Santa Rosa Beach and 30-A markets and 25+ years of experience in the financial services industry. The financial analysis skills that I acquired are a real asset to you in making smart real estate decisions.

My family and I moved to the Emerald Coast in 2006 from Boston, MA. Our love for this area was born many years prior when the Sandestin Golf and Beach Resort became our family's favorite vacation spot. We had been vacationing here years, and living among the beautiful, emerald green waters and sugary white sand beaches had always been a dream. So, my husband Kevin and I decided not to wait a moment longer to turn that dream into reality.

We have two wonderful children, both of whom were easily convinced to make the move to the beautiful Emerald Coast. Our son is studying Environmental Sciences at New College of Florida in Sarasota and our daughter is a Ballerina who studies dance as a member of the Pittsburgh Ballet Theater Graduate Program. With the abundant activities this area has to offer, they both enjoyed "living on vacation". After our first year living here, my parents also made the move to the Emerald Coast, making our life here complete.

During my time off you'll find me with my family and friends - spending time on the beach, boating, kayaking, biking, pickleball, traveling and enjoying hot yoga and Peleton. I believe in keeping a good balance of work and family life, as they are of the utmost importance to me. Recently I've learned and love to play MahJongg. I've also active in the local arts, business and education communities, placing a high importance on networking, continuing education and making our community the best it can be.

As your Realtor and a Resort and Second Home Property Specialist, I am committed to making you a priority and assuring that any real estate investment that you make will not only meet all of your needs, but will also be the absolute best fit for you.
